

"We exist to enrich the independent quality of life for the blind and visually impaired persons."

The Edith Bishel Center for the Blind and Visually Impaired is once again helping the Multi Cultural Elder Awareness Committee for seniors put together Christmas Baskets.

Our committee focus is to put together and distribute baskets to the elderly and disabled in our area who do not have family and/or are financially in need. Last year with the community support that we received we were able to distribute 150 baskets filled with items from the list below.

Please drop off your donated items at the Edith Bishel Center for the Blind and Visually Impaired on Monday through Friday from 9:00 am to 5:00pm. For more information call Larry Weiss, committee member at 735-0699 or Beth Johnson, committee chairman at 735-0315.
