

# Make a Difference!

Your contributions will help us continue to serve the blind and visually impaired in our community. The Edith Bishel Center for the Blind and Visually Impaired is a 501(c)3 nonprofit organization.

There are many ways to help:

- **Donate by mail.** Fill out the form below and send it in along with your check or you could do an automatic monthly withdrawal donation. A plaque with your name will be created and put on our donor wall for donations of \$100 or more.
- **Leave a Legacy.** By including the Edith Bishel Center for the Blind and Visually Impaired in your estate plans, you are ensuring that our vital programs to serve the blind and visually impaired in southeast Washington and northeast Oregon will continue for years to come. Contact our Executive Director, Larry Weiss, today to find out more information on leaving a legacy through your will or estate.
- **Donate a vehicle.** If you are no longer able to drive, or are looking for a way to sell your car, you can donate your vehicle to our center. We'll arrange to pick it up and complete all the needed paperwork, including handling the title transfer. To start the no-hassle donation process, simply call our toll-free car donation line 800-662-9226 and ask for our Executive Director, Larry Weiss.
- **United Way.** Edith Bishel Center for the Blind & Visually Impaired is funded in part through United Way of Central Washington. By donating to any United Way and our center to be a benefactor, you can help support our services.
