Team Rules

1:00 PM Shotgun Start

USGA Rules of Golf apply except for the following amendments in the scramble tournament.

On every hole each team member must hit a tee shot. The team then selects the tee shot from which to play their second shot. Each team member must hit from that spot. This procedure is followed until the ball is holed.

Teams must use (3) tee shots from each team member for the 18 holes. If a team is short a member, one of the other members must take that shot.

Mulligans allowed only if purchased. You cannot use Mulligans on KP's or Hole in Ones

**Men play from WHITE tees.
Women play from RED tees**
